WINSTON Select Lights Distribution - Display Authorization
WORTH Advertising Placement

Gentlemen:

Attached find WINSTON Select prebook form which has been signed by Sharon Singer, VP Purchasing, authorizing all stores to place orders for all brand styles. Please have your reps place order at store level and set up authorized non self service pack displays when product is available.

Sharon also authorized placement of our large WORTH cigarette poster #347338-A, with pricing capability, in all stores/front windows to generate consumer awareness on this profitable brand for the chain. Sharon was reluctant in signing an authorization for the WORTH advertising placement in window location, however, if your people encounter a problem, please have them call Sharon at 201-854-4400 to affect placement.

Sincerely,

J. T. Jones
